Killed Under Auto Wheels

Glenn McBride Loses Life In Auto-Bicycle Collision.

Glenn McBride, eleven-year old son of Mr. and Mrs. Robert McBride of this city, was run over by an auto at the corner of State and Second streets about 7:00 o'clock Monday evening June 14th receiving several crushed ribs and internal injuries from which he died a few hours later.

The lad was riding his bicycle and was crossing the intersection of Second street from the Northern Auto Co. garage to Carr's store. He was evidently on the pavement and near the curb. A Ford car, driven by Gordon Sweet, was going east and making the turn out Second street. From evidence secured at the corner's inquest, it seems that Sweet had the car on the wrong side of the road, was driving fast and made a sharp turn—striking the lad and throwing him off his bicycle and ahead of the car; the car followed running over the boy. He was picked up and taken to Dr. Dicken's office where several ribs were found to be crushed and that he had received internal injuries. Later he was taken to his home over Stroebel Bros. store where he passed away about eleven o'clock.

On Tuesday Pros. Atty Rueggesser and Coroner Boylan were over from Boyne City and a coroner's jury was impaneled consisting of Messrs. H. A. Goodman, Josiah St. John, Wm. Johnson, Jos. Montroy, Alex Bashaw, and Jasper Warden. After going over the matter thoroughly the jurors returned a verdict of careless and unlawful driving and speeding.

Mr. and Mrs. Robert Y. McBride have the sincere sympathy of our entire community in their sad bereavement. The lad's name was Robert Glenn and he was born at Deward, February 25th, 1910. Funeral services were held from the Presbyterian church Thursday afternoon, June 16th, conducted by the pastor, Rev. John Duncan. Interment at East Jordan cemetery.

Sen. Harding Is Nominated

Will Lead Republican Party To Victor This Fall.

The tenth ballot was cast Saturday in the Republican National Convention, before that body could decide on the G. O. P. nominee for president; at its close however United States Senator Warren G. Harding of Ohio was nominated.

Senator Harding is described as Ohio's great dynamic, lovable senator, possessing a rugged character, sturdy record and fascinating personality.

For Vice-President, Calvin Coolidge, Massachusetts's steaming, stalwart governor, who is known all over the nation for his uncompromising and courageous Americanism, was chosen.

While the Michigan delegation was not at all in sympathy with their instructions to vote for Hiram Johnson, they nevertheless stood solidly by him for five ballots, but in the sixth they split, 18 remaining with Johnson, 11 going to Wook and one to Lowden. On the ninth ballot one vote was given Harding, but in the tenth he received 25, and the Michigan vote was one of the big factors in nominating Senator Harding.

A few facts concerning our next president may be appreciated—He will be 55 years old next November; He was born in Morrow County, Ohio; He's a newspaper publisher, owning a paper at Marion, Ohio; Served two terms in the Ohio State Senate; was elected Lieutenant Governor of Ohio in 1903; in 1914 was elected United States Senator; in 1916 was temporary chairman of the Republican National Convention. When he was twelve years old he announced that some day he would be president of the United States.

Board of Trade Has Enthusiastic Meet

Many Important Matters Considered Last Wednesday Evening.

The Board of Trade Luncheon at The Inn last Wednesday evening was a most enthusiastic and spirited gathering. Not only was an excellent feeling of good fellowship displayed but many important topics for East Jordan were discussed.

The construction of a temporary bridge for use while the new bridge is being built was up first for consideration and the unanimous opinion was that a suitable bridge be built.

Mr. H. Rosenthal next presented a plan for a "Bargain Day" for East Jordan shortly after the 4th, this being a report of a committee previously appointed. After many excellent suggestions and plans were considered it was unanimously voted to go ahead and prepare for this occasion. Carl Stroebel and Ben Reid are the other members of this committee. Next came the plan for repairing the Alba road. After this was explained a \$10.00 fund was started and \$20 were raised. The rest of a \$500 donation is being raised during the remainder of this week.

All the members of the City Commission were present and they offered plans for improving the cemetery and for securing the Loveday lot opposite the library for a park. Their final reports on these two projects will be made at the next meeting.

Securing City Mail delivery, a telegraph office, and a resident mechanic for the telephone company were discussed and plans made accordingly.

Jos. Ekstrom discussed the possibilities of East Jordan for resorters, R. O. Bisbee talked on the necessity for giving financial assistance to worthy movements, and D. L. Wilson and Howard Porter talked on the value of team work and cooperation in all things for the welfare of East Jordan.

Everybody voted to have another luncheon in two weeks and to continue the plan of frequent luncheons.

Two Drown At Central Lake

Sister Dies Attempting to Rescue Brother From Lake.

Mildred Helder, age sixteen, and John Helder, age nine, children of Mr. Mrs. George Helder, of Central Lake, were drowned in Intermediate Lake, at a point about a mile and a half south of Central Lake, Tuesday forenoon, June 15.

The youth had gone into the lake bathing and waded out to the edge of the channel where the water was many feet deep. Seeing her brother struggling in the deep water the sister went to his rescue and died in the attempt.

The bodies were recovered about three hours later. The family and village are grief stricken because of the accident.

OBITUARY—JACOB SETTEM

Jacob Settem passed away at Hanley Falls, Minn., June 4th, following an illness of about two weeks from influenza-pneumonia. The remains were brought to East Jordan and funeral services were held from the Lutheran Church, June 8th, conducted by Rev. Johnson of Frankfort.

Deceased was born in Norway, Sept. 22, 1878. He came to this country in the early spring of 1899, locating in East Jordan and that fall was united in marriage to Miss Marie Nelson of this city. They made their home in this city except for about three years in Elk Rapids and nine months in Minneapolis, Minn. Last March they went to Hanley Falls, Minn., expecting to make their home there for awhile, and where he became ill and passed away.

He leaves his wife and two brothers, Nels Anderson of this city and Chris Anderson of Cedar—also two sisters, Mrs. John Larson of Minneapolis, and Mrs. Hans Anderson of Hanley Falls.

Road Building Is Progressing.

ROAD TO ALBA AND MANCELONA TO BE IMPROVED

During the past two weeks the Board of Trade has been busy on getting the road running from East Jordan to Alba and Mancelona improved so that it will be an attractive road for tourists. On the whole the road is in good condition but there are two places in particular that need fixing. One is the Miles and Echo township directly south of town which is now being repaired. The other piece is the road running for two miles beyond Chestonia. Here the sand is very deep and it is difficult for cars to go through, but the township has set aside a sum of money to be used for graveling this road and East Jordan has also agreed to raise from two to five hundred dollars for this purpose. The more money raised the better the road will be. It is planned to place signs at Mancelona and Alba directing tourists through East Jordan on their way to Charlevoix and Petoskey.

If sufficient travel can be directed over this road it is quite possible that a trunk line will be established. This is really the best route for tourists because from Mancelona or Alba to East Jordan and Charlevoix to Petoskey is one of the most attractive drives possible to take and tourists going north on the Mackinaw trail will surely make this drive either going or coming and very probably both.

Money is being raised in East Jordan at this time for the work which we understand has already been started.

ELLSWORTH ROAD PROGRESSING NICELY.

Last week on Wednesday several members of the Board of Trade made a tour of inspection of the Ellsworth road and returned with enthusiastic reports of the splendid grade which is being built. Over two miles of it is now ready for gravel which will be placed there within a very short time. It is expected that the entire road will be completed by September 1st. Every indication points to this being one of the very best constructed pieces of road anywhere in this section.

ROAD SOUTH OF FAIRGROUNDS TO BE IMPROVED.

Within a short time County Road Commissioner, Courier, expects to begin building a mile of state road running south from the fairgrounds. At present this road is in very bad condition and is used so much that it is difficult to keep the road in repair. But in the construction of a first class road the difficulties which people have encountered in getting over this road will be done away with.

Wanted—A Slogan for East Jordan

East Jordan needs a slogan for advertising herself. Other cities find such a name of great value. "Charlevoix the Beautiful" is known throughout the United States. Cadillac, the City of Quality" has been of no small aid in giving Cadillac the reputation which deserves of being a city of real quality. "There is only one Petoskey" has aided our sister city in enhancing her good name.

Several have made suggestions as to what East Jordan's slogan should be. They are: "East Jordan the City of Industry," "East Jordan for Business," "Busy East Jordan," "East Jordan for Beauty and Industry," "East Jordan Farms, Factories, and Fishing," "East Jordan for Beauty and Business." Other suggestions are wanted. Send them into this paper or give them to M. R. Keyworth, Sec'y of the Board of Trade.

Masons Attention!

All members are urged to meet at the lodge rooms at 10:00 o'clock Sunday morning June 20th for the purpose of attending services at the Presbyterian Church.

By order of the Worshipful Master.

Card of Thanks.

We wish to express our deepest gratitude to the friends who, by gentle words, kindly deeds, and beautiful flowers, comforted us in our terrible bereavement.

Mr. and Mrs. R. Y. McBride

Mr. and Mrs. Nels Anderson,
Mr. and Mrs. Chris Anderson.

Original Harmony.

A traveler on a walking tour in one of the northern counties came across a solitary old man who, seated in the doorway of his cottage, was fiddling away quite regardless of such trifling conventionalities as time and tune. The traveler listened a while in amusement and then inquired casually: "When do you tune your violin?" The reply came with refreshing ingenuousness: "I don't tune it—it don't sound right if I do."

Washington's Ice Melted.

George Washington put up ice. In January, 1775, his diary showed he filled a dry well under a summer house and another well in a cellar. Under date of June 5 he wrote in his diary: "Opened the well in my cellar in which I had laid up a store of ice, but there was not the smallest particle remaining. I then opened the other repository. In which I found a large store."

Big Midway At Our Fair

Northwestern Shows Have Contracted For Large Space

The Charlevoix County Agricultural Society announces that it has secured the Northwestern Shows of Detroit for its midway. This outfit has contracted to furnish a merry go round, a big Eli Ferris Wheel and a new Whip. The whip will occupy about the same space that the Red Cross dancing floor did in 1918 and will be located where the dancing floor was. From that point up to the grand stand the concession space has already been reserved. Opposite the Whip will be a tent show which uses one hundred feet of frontage. The Merry Go Round, which is the best one that has ever been on our grounds, will be at the usual place, located between the educational building and the floral hall. Several shows will be in this space also. The Ferris Wheel will be set up just at the south end of the educational building.

The Fair management takes great pleasure in making this announcement as a cash deposit from this concern assures their presence. It is the first time in our history that we have been able to get such a large outfit to help us make the Fair a big one.

In addition to the Northwestern Shows and the twenty concessions which they will bring there will be at least thirty more concession stands, which will make the biggest and best midway that has ever been on our Fair grounds.

The Charlevoix County Agricultural Society is each year putting on a bigger and better Fair and our County Fair is now recognized as being the best Fair in Northern Michigan, notwithstanding the attempts of some of our neighboring Fair Associations to become bigger by calling themselves District Fairs. The Charlevoix County Fair is in truth a District Fair and if the Fair Associations in any of our adjoining counties should decide that they would rather join with us than to hold a Fair in their county we would be very glad to welcome them. For the present we are content to call ourselves a County Fair and to welcome the exhibitors from the adjoining counties.

SHORT SEASON BRINGS CALL FOR LATE CROPS

Alfalfa and Sweet Clover Can be Planted Until Aug. 1.

That Michigan land which has not been planted because of the brief planting season and general labor difficulties can in many instances be seeded to alfalfa or sweet clover with reasonable safety as late as August 1 in lower Michigan and the middle of July in other sections, is the information given out by Prof. J. F. Cox, head of the Farm Crops Department at M. A. C. "Because of conditions this year," says Professor Cox, "instances have occurred where land which has been fitted for a crop has not been planted. Such land could readily be put into condition to receive alfalfa or sweet clover during June or early July.

"The seed bed should be harrowed at intervals if possible, and firmly compacted with roller before either of these crops is seeded. Scarified sweet clover seed should be used. The majority of Michigan land will need a dressing of one or two tons per acre of finely ground limestone, or several cubic yards of marl to pave the way for these crops. Northern grown alfalfa seed and the white blossom variety of sweet clover are recommended.

"Culture for inoculation can be secured from the Department of Bacteriology at the Michigan Agricultural College, at a cost of twenty-five cents a bottle. Further information regarding these crops may be secured from the Farm Crops Department, M. A. C. East Lansing, Michigan.

I've said this before but I wish to repeat: Happiness consists mostly in forgetting things.

No life is a complete failure into which has come, ever, the love of a single earthly being.

Eveline Twp. School Day

Exercises Held at Ironton Monday, June 7th.

The Eveline School Day Exercises were held at the Ironton school house June 7th.

The following schools were represented:

Ironton—Letitia Linehan, Hilda Carlisle.

Walker—Bertha Clark.

Star—Eileen Gunsolus.

Three Bells—Thelma Spees.

Advance—Mary Weldy.

Although it rained all the morning it didn't frighten the parents, visitors or the judges away.

Our judges were Mr. Keyworth, East Jordan, Miss Price, Ironton, and Miss Helena Bates, Charlevoix.

The visitors were the Normal girls, Mrs. Keyworth, Mrs. Hutton and the Misses Josie Hammond and Edith Carey.

At twelve o'clock the mothers had a very nice potluck dinner waiting for us in the Grange Hall of which we all enjoyed.

At two o'clock we gathered on the school ground for our contests. The first thing we had was chinning which the following boys entered:

Three Bells—Perry Looze 8, John Looze 7, A. J. Wangeman 5.

Star—Frank Hayden 9, John Hally 9.

Walker—Harold Thomas 8, Marvin Anderson 15.

Ironton—Frank Padel 12, Jerome Williams 11.

POTATO RACE

BOYS

Three Bells—Perry Looze, A. J. Wangeman.

Star—John Hally, Lyle Jones.

Ironton—Jerome Williams, Elliot Bird.

Walker—Dan Lyn, Orvil Boyer.

Ironton boys won the race and the Three Bell boys were second.

GIRLS

Three Bells—Anita Looze, Bertha Wangeman.

Star—Dorothy Jarman.

Walker—Goldie Boyer, Cecelia Lyn.

Ironton—Audrey Orvis, Marie Christensen.

The Ironton girls were first and the Walker girls were second.

FORTY YARD DASH

Three Bells—A. J. Wangeman, John Looze.

Star—Marian Russel.

Ironton—Frank Padel, Elliot Bird.

Walker—Marvin Anderson.

Marion Russel was the first to reach the goal and Frank and Elliot came in second.

TUG OF WAR

Three boys were chosen from each school to pull.

The Star boys pulled against the Walker boys and Ironton against the Three Bell boys. The winners of the two groups then pulled and Ironton won.

After the Contests everyone gathered in the Grammar room for the Commencement program which was as follows:

Song, U. S. A. Forever, by Ironton, Advance, and Walker.

Recitation, The Raggedy Man, Katherine Wangeman.

Vocal Music, Miss Helena Bates.

Recitation, Who Stole the Bird's Nest? Eleanor Tumath.

Recitation, Hustie, Ruth Clark.

Song, Walker School.

Recitation, Rain, Gertrude Looze, Katherine Wangeman.

Valedictory, "Nobility," Virginia Lehman, of the Three Bells school.

Address, Supt. Metcalf of Boyne City.

Presentation of Diplomas, May L. Stewart.

Closing Song, America.

We had about a half hour community singing while we anxiously waited for the decision of the judges.

Miss Bathe gave the decision as follows:

SCHOOL EXHIBITS.

Ironton, 654 points; Advance, 438 points; Three Bells, 382 points; Star, 275 points; Walker, 214 points.

CONTESTS

Ironton, 26 points; Walker, 15 points; Star, 13 points; Three Bells, 7 points.

The schools each gave their school yell which ended the day's program and every one went home feeling that it was a day well spent.

Political Announcement

I will be a candidate for nomination for the office of County Road Commissioner on the Republican ticket at the primaries held August 31, 1920.

Your support will be greatly appreciated. W. E. Byers, Charlevoix, Mich. Adv. 25tf.
